

2023 One Report and 2023 Financial Statement  
in QR Code form and manual to use QR Code

---

The Stock Exchange of Thailand by Thailand Securities Depository Company Limited, as a securities registrar, has developed a system for listed companies on the Stock Exchange of Thailand to send the shareholders' meeting documents in electronic format via QR Code for shareholders to consider such information conveniently and quickly. The shareholders can download all information via QR Code as follows:

**For iOS and Android system**

1. Turn on the camera on the mobile phone
2. Scan by turning the camera to the QR Code
3. The screen will display notification, please press on that message to view the meeting information

Remark: If there is no message (Notification) on mobile, shareholders can scan QR Code from the application. (Application) other such as QR Code Reader, Facebook and Line, etc.

**Procedure for scanning QR Code via Line Application**

Enter Line and select add friend ▷ Select QR Code ▷ Scan QR Code

One Report 2023
